COOKIES POLICY

Cookies and similar technologies

The STUDIO DE MUSIQUE ANCIENNE DE MONTRÉAL may use cookies, Internet tags, invisible pixels, log files, or other technologies to collect personal information about visitors to our website (https://smamontreal.ca/), as well as about the recipients of our newsletters, invitations, and other communications. Cookies are elements of information that the server transmits to the browser when a website is accessed, making it possible to uniquely identify the current connection. This data may include information such as the user's IP address, the type of browser being used, the browser version, the pages viewed on our website, the time and date of the visit, the time spent browsing the site, and any other statistics.

The cookies used provide a way to trace search histories and cart histories (e.g. ticket purchases) relating to a ticket purchase session, thereby facilitating the user's online browsing experience. Certain cookies are essential to the proper functioning of the Tuxedo ticket sales platform. It is important to note that activating the cookie option may—depending on the selected configuration—allow other servers to install cookies on your system. You can adjust your browser settings to inform you of the presence of cookies, thereby giving you the option to accept or refuse them.

Should you have any questions about the way in which we use cookies, please contact us at the following address: dg@smamontreal.ca

Note that our website may contain links or references to third party sites. This policy no longer applies once you leave our website, and the STUDIO DE MUSIQUE ANCIENNE DE MONTRÉAL is not responsible for the way in which these third parties and external sources collect or use personal information.
